

SUNTAIL™

SERIES

CERTIFIED

- ANTI-COLLISION
- POSITION

OPTIONAL ACCESSORIES

SUNTAIL™ 90° Adapter
PART# KIT-0064

The **SUNTAIL™** is a high-performance LED aft position and strobing anti-collision light that combines exceptional visibility with **Certified Reliability**. FAA-TSO | STC approved, it meets the performance requirements of TSO-C30c Type III and TSO-C96a Class II. Compatible with both 14V | 28V aircraft electrical systems, it offers low power consumption, simple drop-in installation, and synchronization with other AeroLEDs strobe products.

5 YEAR WARRANTY

30K HR MTBF

ALUMINUM CLEAR ANODIZED BASE

SHOCK AND VIBRATION RESISTANT

UV HARDCOATED POLYCARBONATE LENS

BUILT-IN THERMAL PROTECTION

STROBE SYNCHRONIZATION

HIGH-EFFICIENCY, LOW-POWER LEDs

LONG-LIFE, LOW-MAINTENANCE DESIGN
